learn. act. thrive.

MAKE HAPPY HAPPEN.

When it comes to life’s most desired goal — happiness — you’re in control. Every step you take to change your attitude, routine or habits can make a difference. One simple tweak can set happiness in motion.

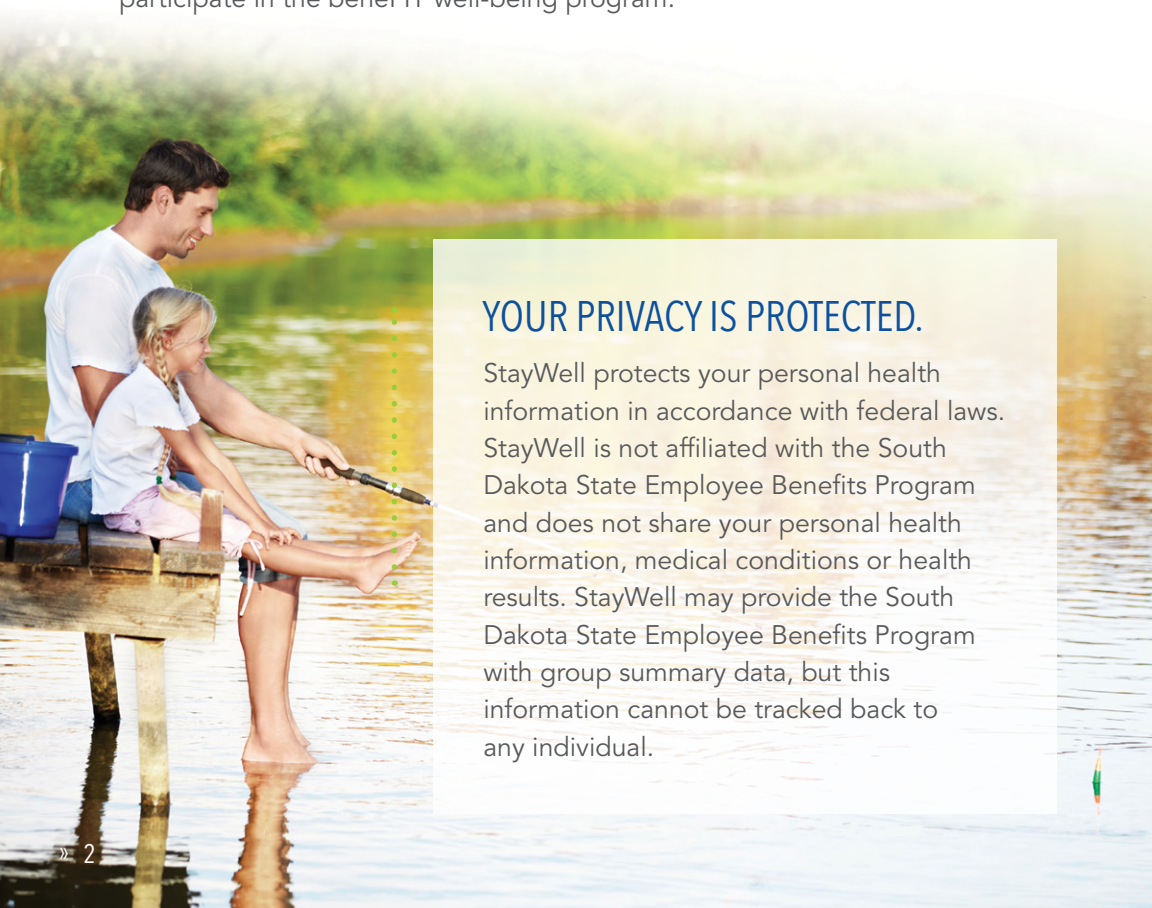

The South Dakota State Employee Benefits Program has partnered with StayWell® to provide you with tools and resources to help you look and feel your best. By participating in the beneFIT well-being program, you can take control of your health and set happiness in motion. As an added bonus, you’ll be rewarded for your efforts.

SIMPLE CHANGES. START TODAY.

One simple change, like getting more sleep, or laughing more, can increase your happiness. And changes, however small, require commitment. That’s why the South Dakota State Employee Benefits Program wants to support your efforts.

The beneFIT well-being program provides the tools and resources to help you achieve your goals. This year, completing all three wellness qualifications may be beneficial to you no matter which health plan you are on.

All benefit eligible employees and their covered spouse are eligible to participate in the beneFIT well-being program.

YOUR PRIVACY IS PROTECTED.

StayWell protects your personal health information in accordance with federal laws. StayWell is not affiliated with the South Dakota State Employee Benefits Program and does not share your personal health information, medical conditions or health results. StayWell may provide the South Dakota State Employee Benefits Program with group summary data, but this information cannot be tracked back to any individual.

FIND HAPPY. BE REWARDED.

Each employee and their covered spouse who complete the required steps of the beneFIT well-being program are eligible to qualify for a variety of rewards in 2017. To qualify, both employees and their covered spouse (if applicable) must complete the Health Assessment, Health Screening and earn 100 Wellness Points by **March 31, 2017**.

YOUR REWARD

Complete the online Health Assessment, a Health Screening and earn 100 Wellness Points by March 31, 2017:

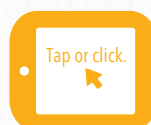

» You will qualify to enroll in the lowest deductible plan in FY18.

OR

- » You can earn money for your health savings account (HSA) if choose the \$1,800 deductible plan in FY18.
- » If you have single coverage, you can earn an additional \$250 for your HSA (total of \$500) by completing the three wellness qualifications.
- » If you decide to not complete the three wellness qualifications, the State will give you \$250 just for choosing the \$1800 plan.
- » If you have family coverage, you can earn an additional \$500 for your HSA (total of \$1,000) by completing the three wellness qualifications.
- » If you decide to not complete the three wellness qualifications, the State will give you \$500 just for choosing the \$1800 plan.

Employees hired or spouses added on or after July 1, 2016, and opt-outs do not need to complete these qualifications to be eligible for the low deductible health plan or HSA contribution in FY18. Regardless of hire or add date, all eligible employees completing all three required wellness qualifications will be eligible to win raffle prizes.

DISCOVER WHERE YOUR HEALTH STANDS. TAKE THE HEALTH ASSESSMENT.

It's the little decisions made every day, like how you fuel your body or the attitude you choose in stressful situations, that shape your health and happiness. When you take the 10-minute Health Assessment, you'll learn how everyday choices affect your happiness and well-being.

Log in to benefit.staywell.com to complete the Health Assessment by **March 31, 2017**.

KNOW YOUR NUMBERS. GET A HEALTH SCREENING.

Making the choice to get an on-site Health Screening gives you a snapshot of your current health status. Your Health Screening will help you discover areas in your health that may need attention, keeping you energetic and feeling good.

Your screening will include measurements for:

- » Blood Pressure » HDL Cholesterol » Triglycerides
- » Total Cholesterol » LDL Cholesterol » Glucose
- » TC/HDL ratio » BMI » Waist

GET YOUR NUMBERS – AT WORK.

The South Dakota State Employee Benefits Program is offering free, on-site Health Screenings between **July 19, 2016**, and **December 14, 2016**, for employees and their spouse enrolled in a Health Plan.

For more information and to register for your screening, visit benefit.staywell.com.

Please note, screening results will be automatically uploaded by StayWell into your health assessment within 14 business days of receipt.

If a Health Screening is not available at your location, print the Health Care Provider Form to complete with your doctor as part of your physical exam. Download the Health Care Provider Form from the **Screening** page which can be accessed from the **Programs** tab on benefit.staywell.com. Once complete, fax or mail the form back to StayWell.

Complete your Health Screening by **March 31, 2017**.

IMPROVE YOU. CHOOSE A WELL-BEING PROGRAM.

Lifestyle Coaching

Working with a StayWell health coach can have you feeling your best at work and home. Your coach can help you with things like modifying your meal plan, getting better sleep, managing stress, setting new health goals and much more.

Working with a coach is free and confidential. To get connected with a health coach, call the StayWell HelpLine at 800-721-2749.

Self-Directed Coaching

Self-Directed coaching empowers you to achieve your health goals. You can choose to work on things like moving more, eating well, being tobacco free, reducing stress and controlling weight.

Self-Directed coaching is available online, 24/7. You can work on the topic of your choice when and where it's convenient for you. Log on to benefit.staywell.com to register.

Mindfulness Workshops

Discover how to make the most of the present moment. Find ways to turn off autopilot and pay attention to the here and now without recounting the past, anticipating the future or making judgments.

Log on to benefit.staywell.com to get started on the best possible you.

Digital Workshops

When it comes to making healthy changes, it's important to educate yourself before diving in. Learn more about cholesterol, migraines, back health and carpal tunnel. Each workshop takes about 15 minutes. Simply select a topic area, read a short article, watch a short video and take a short quiz.
